

Sisekelo High School partners with National Benchmark Tests Projects.

Sisekelo High School continues to be at the cutting edge for education. This is evident by the school's partnership with reputable Educational Centres such as the Centre of Educational Testing for Access and Placement (National Benchmark Tests Project)-NBT

As the school encourages lifelong learning, students are encouraged to sit for NBT which some of the top universities in South Africa use for admission and others use them to determine whether you will need extra academic support during your studies.

Sisekelo High School is an Official Centre for the NBT in Eswatini.

For **2021** you can **BOOK A TEST** on line and write at **Sisekelo High School** on **3rd July 2021**
